Opening speech and introduction by the President

I would like to extend a warm welcome to all those who are participating and/or volunteering in today's 70th Pro-Am at Boldmere Golf Club.

Thanks are extended to our main sponsor (T & T Flooring), our hole sponsors, and, the Pro's for giving their time many who have also generously donated prizes to the event.

I would like to thank my fellow Pro-Am organisers Peter Beale, John Gibbons, Jag Kedra and Shelley Hufton also to all the members of the Committee who have given their time and energy attending countless meetings to make today possible.

Special mention today for Tony & Maureen Tarmey, working hard on team registration, and processing the scorecards. Alongside Roy Leeson and David Doidge they have worked on many of these events and we are extremely grateful for their many years of service and support.

I would like to make a special mention of the Tarmey Family (T & T Flooring), not just for generously giving £2,000 to sponsor the professional prizes and Hole in One insurance for our 70th Pro-Am, but for their fantastic financial support for so many years.

Also Mytime Active, their staff and our green keepers who have worked so hard to get the course in the best condition. To Linda in the cafe for her service today and throughout the year.

Finally, it just leaves me to say thank you to all of you for attending today's 70th Pro-Am, I hope you enjoy your day.

Tony Wilkins (President)

BOLDMERE GOLF CLUB

Boldmere Golf Club was established in 1936 originally as a 9 hole golf course. A score of 56 by R.Bardesley from Moor Hall Golf Club, in 2010, stands as the lowest round at Boldmere Golf Club. The record was previously held for 20 years by P.Weaver, scoring 57. Achieving a 7 under par round at Boldmere, with all of its challenging par 3's, is no mean feat

From Wikipedia, the free encyclopedia" ***Boldmere Golf Club hosts Europe's longest-running pro-am golfing competition professionals joining the competition since it began in 1952***". This is the 70th occasion it's been held the only break, due to the COVID restrictions, was in 2020. Teams will once again be competing for the Stan Jackson trophy.
